

Carmel High School Choral Department

We firmly believe that financial strain should never cause a student to feel that they cannot fully participate in the Carmel Choir Department at the musical level that best suits them. We will do our best to assist anyone with legitimate need. In order to receive financial assistance or an extended payment plan from the choir department, we ask each student and his or her family to agree to the following stipulations. We appreciate your cooperation with this matter, and we will continue to do everything in our power to assist you with the financial commitments of this choral program.

1. Complete this Financial Aid/Payment Plan Application including a brief description of your financial situation and a monthly payment that you can afford on a regular basis.
2. Students will participate in all choir fundraisers and understand that any money that they earn will go towards the unpaid balance due of their choir fees.
3. Both students and parents will be available to give their time and talent to the program as often as possible! This includes helping with various projects, such as preparing for concerts, filing music, cleaning the room, organizing costumes, assisting on parent and volunteer committees, etc. when needed.

Brief Description of reason for financial aid: _____

We can commit to paying \$_____ each month toward the choir fees. If we can pay more at any particular time, we will do so, and if our financial situation changes and we cannot pay this amount, we will communicate with the directors in advance.
