

For over fifty years, Carmel students have been singing and dancing their way into the hearts of this Northeast Indianapolis community. With a legacy of excellence and class, the choirs at Carmel High School have provided students with a well-rounded musical education, as well as amazing performance opportunities. Today, the program consists of ten ensembles with over 500 talented students.

2021 - 2022 CARMEL CHOIRS SPONSORSHIP OPPORTUNITIES

2021 – 2022 Season

Beginning in the summer of 2021, the Performing Arts department will see construction begin on a renovation and expansion. While this may change the location of multiple community performances, the students and directors learned a lot on how to adapt to new situations in 2020 and they will be putting those skills to use once again. That said, the department is thrilled to have a full season scheduled and sponsors will receive great benefits in partnering with the program.
