The SCRIP Program is a simple way to earn money for Carmel Choirs and help offset (if not completely cover) an individual choir student's yearly fees. It works by having registered members (which may include parents, grandparents, friends/neighbors and any other Carmel choir supporter/patron):

1. Buy gift cards through the Great Lakes SCRIP Center (over 700+ stores, hotel chains, restaurants represented) for everyday spending as well as for presents!
2. Earn rebates (a percentage of the card's face value which varies by vendor/company) credited to the CHS Ovation Club account.

Any student who will be enrolled as a Carmel choir student for the 2022-2023 school year may have their family's earned rebates (*including earned rebates of grandparents/others dedicated to an individual student's account*) applied to their student's yearly choir fee!

If the family's rebate earnings completely cover the 2022-2023 choir fees for their individual student AND that student will be continuing in choir the following year, they may have their excess rebate earnings roll over to be applied to the choir fees for the following year. If the student will graduate in 2023, then any excess rebate earnings will remain in the Ovation account and be available to be used for Ovation expenses.

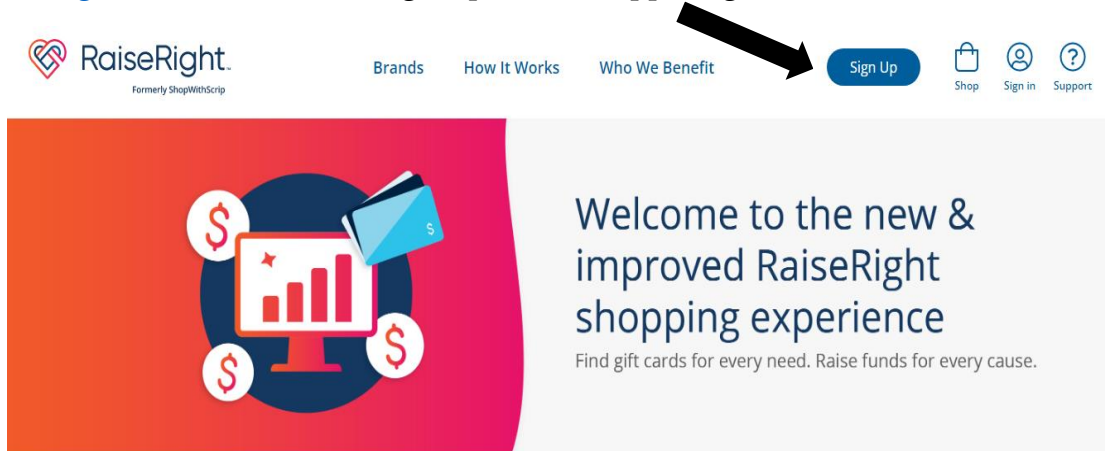

NOTE: excess rebate earnings cannot be paid out to the student/family as they are the assets of CHS Ovation nor can excess rebate earnings be applied to another sibling who is not already enrolled as a Carmel choir student.

An individual student's choir fee may be payable in one lump sum or broken up into three or four payments (see your student's choir-specific payment form). If using SCRIP earnings to offset a student's 2022-2023 choir fees, the SCRIP balance available will be based on the earnings through the last day of the prior month the payment is due.

- SCRIP earnings between December 1st and April 30th for May 15th deadline
- SCRIP earnings between May 1st and July 31st for August 15th deadline
- SCRIP earnings between August 1st and September 30th for October 15th deadline
- SCRIP earnings between October 1st and November 30th for December 15th deadline

 3. It takes approximately 3-5 business days for the SCRIP coordinator to receive the entire order of physical gift cards.
