PARTICIPANT TICKET SALES

Each performer/member may purchase up to **SIX (6) tickets TOTAL** during the preferential ticket sale (pre-sale). Students or their representative (parent, family member, friend) may purchase their tickets in grade level order starting on their specified day. This year will be using a “purchase window” to roll out ticket sales. If you miss your grade level day, don’t fret! You can still make your purchase after the roll out day and before the window closes. If you miss the window **FOR ANY REASON** or need to purchase more than six tickets, you must wait until tickets go on sale to the public.

You will need to enter student last name and student ID number to verify your order.

Please note the PayK12 online ticketing system can only limit purchases per section...

technically you could purchase 6 tickets per section. PLEASE don’t do this! We trust you to only purchase 6 tickets total, regardless of the ticketing system’s capabilities. Orders over the limit will be canceled.
